O R D E R

On July 24, 1994, the Commission initiated this investigation to determine the reasonableness of East Daviess County Water Association, Inc.'s rates ("East Daviess") in light of that utility's failure to implement a unified rate structure. After this investigation began, East Daviess applied for Commission approval to adjust its rates to establish a unified rate structure. The Commission recently approved this application.<sup>1</sup>

In view of East Daviess' actions, the Commission finds that its current investigation is no longer required and should be closed.
