

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF HARRISON COUNTY )  
RURAL ELECTRIC COOPERATIVE )  
CORPORATION, INC. FOR AN ADJUSTMENT ) CASE NO. 94-432  
TO ITS RETAIL ELECTRIC POWER TARIFFS )

O R D E R

Harrison County Rural Electric Cooperative Corporation ("Harrison County") initiated this case to pass to its customers a decrease in power costs proposed by its wholesale power supplier, East Kentucky Power Cooperative, Inc. ("East Kentucky"). On July 26, 1995, the Commission approved changes in Harrison County's retail rates designed to reflect an annual wholesale power cost decrease from East Kentucky of \$851,034.

The Commission has now concluded the rehearing phase of the East Kentucky rate case and has determined that its rates should be decreased further. This will result in an additional wholesale power cost decrease for Harrison County of \$74,127, for an overall decrease of \$925,161. Accordingly, Harrison County's retail rates have been reduced, as set forth in Appendix A of this Order, to pass this further reduction of \$74,127 to its customers effective with service rendered on and after March 1, 1996.

IT IS THEREFORE ORDERED that:

1. The rates in Appendix A, attached hereto and incorporated herein, are approved for service rendered on and after March 1, 1996.

2. Within 20 days of the date of this Order, Harrison County shall file with the Commission revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky this 28th day of February, 1996.
