

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS     )  
ADJUSTMENT FILING OF WESTERN    )     CASE NO. 95-010-F  
KENTUCKY GAS COMPANY             )

O R D E R

On September 29, 1995, in Case No. 95-010, the Commission approved adjusted rates for Western Kentucky Gas Company ("Western"), with their further adjustment to be made in accordance with the monthly gas cost adjustment ("GCA") approved in the final Order in Case No. 92-558.

On January 31, 1996, Western filed its monthly GCA to be effective from March 1, 1996 to April 1, 1996.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western's notice proposed revised rates designed to pass on to its firm sales customers an expected wholesale decrease in gas costs. Western's expected gas cost ("EGC") for firm sales customers is \$3.3171 per Mcf and \$2.5618 for high load factor ("HLF") firm customers.

Western also proposed to pass on to its interruptible customers a wholesale decrease in gas costs. Western's proposed EGC for interruptible sales customers is \$2.5618 per Mcf.

2. Western has no current supplier refunds. Total refund factors of 12.49 cents per Mcf for firm sales customers and 7.68 cents per Mcf for interruptible customers reflect adjustments from previous months.

Western's notice likewise set out no current refund adjustments for transportation customers. Total refund adjustments of 6.3 cents for T-2 firm and 1.49 cents per Mcf for T-2 interruptible transportation customers reflect previous month adjustments.

3. Western's notice set out a 6-month correction factor ("CF") of (16.75) cents per Mcf which will remain in effect until April 1, 1996. The CF is designed to recoup net over-collections of gas cost from the 6-month period ending June 30, 1995.

4. These adjustments produce gas cost adjustments of (\$.4084) per Mcf for firm sales customers, (\$.3819) per Mcf for HLF customers, and (\$.3338) per Mcf for interruptible sales customers.

5. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after March 1, 1996.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are approved effective for final meter readings on and after March 1, 1996.

2. Within 30 days of the date of this Order, Western shall file with the Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 22nd day of February, 1996.
