On January 24, 1996, AmeriConnect, Inc. ("AmeriConnect") made an oral request to file a supplement to its brief. Having considered the request, which the Commission treats as a motion, and being otherwise sufficiently advised, the Commission finds that AmeriConnect's motion should be granted.

IT IS THEREFORE ORDERED that:

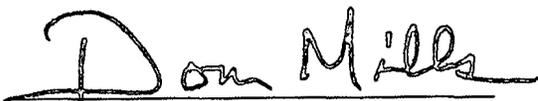

1. AmeriConnect may file a supplement to its brief no later than February 9, 1996.

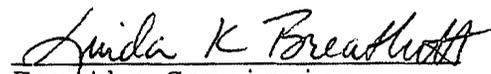

2. If the supplement to AmeriConnect's brief is not filed on or before February 9, 1996 and if no request for a hearing is received by February 9, 1996, this matter shall be submitted to the Commission on the record as of that date.

Done at Frankfort, Kentucky, this 30th day of January, 1996.
