

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY UTILITIES)
COMPANY FOR AUTHORIZATION OF) CASE NO. 95-583
CHANGES IN SERVICE TERRITORY WITH)
BLUE GRASS, FARMERS, SALT RIVER,)
AND TAYLOR COUNTY RECC'S)

O R D E R

On December 22, 1995, Kentucky Utilities Company ("KU") filed its application, pursuant to KRS 278.018(6), for approval of six minor changes in service territories with the following Rural Electric Cooperative Corporations ("RECC"): Farmers RECC, Salt River RECC, Taylor County RECC, and Blue Grass RECC. KU submitted territorial maps with each affected utility signifying its concurrence in the changes to its respective territory. A summary of the boundary changes is set forth in Appendix A to this Order.

Five of the boundary changes are to realign the existing service territories to conform to property lines; one is to reduce the line extension cost by transferring the property to the utility whose facilities are in closer proximity. No existing customer will be reassigned to a different electric supplier as a result of the proposed territorial boundary changes.

Based on the application and being advised, the Commission finds that the proposed boundary changes will prevent wasteful

duplication of facilities, avoid unnecessary encumbering of the landscape, minimize disputes between retail electric suppliers, and provide adequate and reasonable service to all affected areas.

IT IS THEREFORE ORDERED that the six boundary changes set forth in Appendix A, attached hereto and incorporated herein by reference, be and they hereby are approved.

Done at Frankfort, Kentucky, this 7th day of February, 1996.
