Re: Case No. 96-001

In reply to the notice from Sam McNamara, attorney
for Lexington NSA Limited Partnership, I would like
to know how the proposed tower, antennas and
equipment shelter will affect me monetarily as
I own Unit #F of Waller Place Condominiums.

The reason for this request is that the Waller
Place Board of Directors held a meeting and advised
that they would be receiving quite a large sum of
money for allowing this construction and operation

Please advise what my share will be.

Iris W. Brown
