O R D E R

On July 11, 1996, Kentucky CGSA, Inc. ("Kentucky CGSA"), the applicant in this case, filed a motion to continue the hearing previously scheduled for July 16, 1996. As grounds for its motion, Kentucky CGSA states it is presently negotiating acquisition of a potential alternative site for its proposed cellular facility. The petitioners in this case, who object to the presently proposed location, have previously informed the Commission, in their Second Motion for Hearing, dated May 22, 1996, at 2, that they are negotiating with Kentucky CGSA to find a more acceptable alternative site. Kentucky CGSA states it will report to the Commission within sixty (60) days from the date of any Order granting its motion.

It appears that the parties are cooperating to resolve their dispute and that they should be given sufficient time to do so. Moreover, should an alternative site prove feasible, any hearing on the site currently proposed would be pointless. The Commission being sufficiently advised, IT IS THEREFORE ORDERED that:

1. The motion of Kentucky CGSA is granted.
2. The hearing scheduled in this matter for July 16, 1996 is hereby cancelled.
3. Within 60 days of the date of this Order, Kentucky CGSA shall report to the Commission on the status of its negotiations regarding an alternative site.

Done at Frankfort, Kentucky, this 12th day of July, 1996.
