

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF D.D.D. CALLING, INC.)
FOR A CERTIFICATE OF PUBLIC CONVENIENCE)
AND NECESSITY TO OPERATE AS A RESELLER) CASE NO. 96-150
OF LONG DISTANCE SERVICES THROUGHOUT)
KENTUCKY)

O R D E R

On April 12, 1996, D.D.D. Calling, Inc. ("D.D.D. Calling") filed an application with the Commission seeking a Certificate of Public Convenience and Necessity to resell intrastate interexchange long-distance telecommunications services within the Commonwealth of Kentucky. On May 28, 1996, D.D.D. Calling filed its response to the Commission's May 16, 1996 Order requesting additional information.

D.D.D. Calling is a Texas corporation with its principal office in the state of Texas and intends to resell tariffed services of facilities-based carriers certified by this Commission.

D.D.D. Calling does not own or operate, nor does it intend to construct, any telecommunications transmission facilities within the Commonwealth of Kentucky. All intrastate telecommunications transmission services will be provided by an underlying carrier certified by this Commission.

The application provided by D.D.D. Calling demonstrates its financial, managerial, and technical capability to provide utility service. The Commission finds that D.D.D. Calling

should be authorized to resell intrastate interexchange long-distance telecommunications services within the Commonwealth of Kentucky.

D.D.D. Calling filed its proposed tariff on April 12, 1996. The Commission finds that the rates proposed by D.D.D. Calling should be approved as the fair, just, and reasonable rates to be charged.

In Administrative Case No. 306,¹ the Commission stated the importance of eliminating possible customer confusion arising from the name of the billing service, rather than the name of the provider of telecommunications services, appearing on the bill. Accordingly, D.D.D. Calling should ensure that its name appears prominently on all bills issued to customers for services rendered.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, HEREBY ORDERS that:

1. D.D.D. Calling be and it hereby is granted authority to resell intrastate interexchange long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.
2. D.D.D. Calling shall ensure that its name appears prominently on all bills issued to customers for services rendered.
3. D.D.D. Calling's authority to provide service is strictly limited to those services described in this Order and D.D.D. Calling's application.

¹ Administrative Case No. 306, Detariffing Billing and Collection Services, Order Dated April 30, 1990.

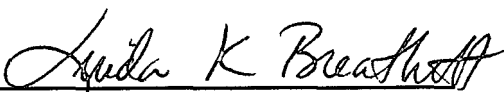

4. IntraLATA services shall be provided in accordance with the restrictions and conditions of service contained in Administrative Case No. 323.²

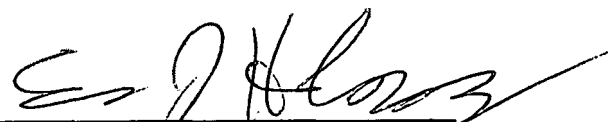

5. The rates proposed by D.D.D. Calling on April 12, 1996 are hereby approved.

6. Within 30 days from the date of this Order, D.D.D. Calling shall file, pursuant to 807 KAR 5:011, its April 12, 1996 tariff sheets without modifications.

Done at Frankfort, Kentucky, this 9th day of July, 1996.
