O R D E R

On June 7, 1996, Webster County Water District ("Webster Water") filed a motion requesting an extension of time until July 5, 1996 in which to respond to the Commission's May 22, 1996 Order.

KRS 278.300(2) requires applications for authority to issue or assume securities or evidences of indebtedness to be ruled on within 60 days unless it is necessary for good cause to continue the application. Granting Webster Water's motion for an extension of time will allow the Commission only one working day in which to review the information and issue its Order. Therefore, the Commission finds that good cause exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

After consideration of the motion and being otherwise sufficiently advised, the Commission HEREBY ORDERS that:

1. Webster Water's motion is granted and its response to the Commission's May 22, 1996 Order is now due July 5, 1996.

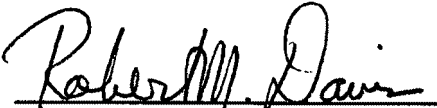

2. The portion of Webster Water's application for authorization to incur additional indebtedness is hereby continued beyond the 60-day period specified in KRS 278.300(2).

Done at Frankfort, Kentucky, this 13th day of June, 1996.
