O R D E R

On September 19, 1996, the City of Lawrenceburg, Kentucky ("Lawrenceburg") and South Anderson Water District ("South Anderson") filed what the two parties referred to as a joint response to the Commission's Order of August 29, 1996. The Commission's Order of August 29 had given, *inter alia*, the parties 21 days in which to continue their settlement negotiations. Nevertheless, according to Lawrenceburg's and South Anderson's joint response, a conference between these parties was scheduled for September 26, 1996. A 30-day continuance of the procedural schedule was therefore requested.

This request should be denied. All parties, including the intervenors, should be given the opportunity to file statements regarding the current status of the settlement negotiations. After such statements are received, the Commission should then determine whether to continue the suspension of the procedural schedule or to issue a revised procedural schedule.

IT IS THEREFORE ORDERED that:

1. The request of Lawrenceburg and South Anderson to continue the suspension of the procedural schedule for an additional 30 days is denied.
2. All parties, including the intervenors, are given 10 days from the date of this Order in which to file statements regarding the current status of the settlement negotiations.

Done at Frankfort, Kentucky, this 10th day of October, 1996.
