O R D E R

This matter arising upon the motion of the City of Louisville ("City"), by and through counsel, filed August 12, 1996, for full intervention, and it appearing to the Commission that the City has a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, the City's motion to intervene should be granted. The City also requests that a hearing should be set in this matter. However, a number of interested persons have contacted the Commission in regard to this cell site and may yet wish to file motions to intervene. Consequently, the Commission will hold in abeyance the City's motion for a hearing and will address it at the appropriate time.

IT IS THEREFORE ORDERED that:

1. The motion of the City of Louisville to intervene is granted.
2. The City shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should the City file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.

4. The City's motion for a hearing shall be held in abeyance until further Order of the Commission.

Done at Frankfort, Kentucky, this 15th day of August, 1996.
