

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF WIRELESSCO, L.P. THROUGH ITS AGENT)	
AND GENERAL PARTNER, SPRINT SPECTRUM, L.P. FOR)	
ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE)	
AND NECESSITY TO CONSTRUCT A PERSONAL)	CASE NO.
COMMUNICATION SERVICES FACILITY IN THE LOUISVILLE)	96-306
MAJOR TRADING AREA [BROAD RUN ROAD PCS FACILITY)	
LV03XC084B1])	

O R D E R

On July 11, 1996, Sprint Spectrum, L.P. on behalf of WirelessCo, L.P. filed an application seeking a Certificate of Public Convenience and Necessity to build and operate a personal communications system ("PCS") for the Louisville Major Trading Area, which encompasses the entire Commonwealth of Kentucky. On August 9, 1996, WirelessCo, L.P., through its agent and general partner Sprint Spectrum, L.P., amended its application, stating that the jurisdictional utility and applicant in this matter was WirelessCo, L.P. WirelessCo, L.P. has requested authorization to construct a PCS site in Jefferson County. WirelessCo, L.P. was previously granted the authority to operate in Case No. 96-077.¹

The proposed PCS site consists of a 180-foot or less self-supporting antenna tower to be located at 6812 Billtown Road, Jefferson County, Kentucky ("the Broad Run PCS

¹ Case No. 96-077, The Application of WirelessCo, L.P., d/b/a Sprint Telecommunications Venture for Operating Authority and Issuance of Certificate of Public Convenience and Necessity to Construct Commercial Mobile Radio Service Transmission Facilities in Kentucky.

site"). The coordinates for the Broad Run PCS site are North Latitude 38° 08' 40.2" by West Longitude 85° 32' 46.6".

WirelessCo, L.P. has provided information regarding the structure of the tower, safety measures, and antenna design criteria for the Broad Run PCS site. Based upon the application, the design of the tower and foundation conforms to applicable nationally recognized building standards, and the plans have been certified by a Registered Professional Engineer.

Pursuant to KRS 100.324(1), the Broad Run PCS site's construction is exempt from local zoning ordinances; however, WirelessCo, L.P. notified the Jefferson County Planning Commission of the pending construction. WirelessCo, L.P. was not required to file an application with the Federal Aviation Administration for the Broad Run PCS site, while the Kentucky Airport Zoning Commission application is pending.

WirelessCo, L.P. has filed notices verifying that each person who owns property or who resides within 500 feet of the Broad Run PCS site has been notified of the pending construction. The notice solicited any comments and informed the property owners or residents of their right to intervene. In addition, notice was posted in a visible location on the proposed site for at least two weeks after WirelessCo, L.P.'s application was filed. To date, no intervention requests have been received.

Pursuant to KRS 278.280, the Commission is required to determine proper practices to be observed when it finds, upon complaint or on its own motion, that the facilities of any utility subject to its jurisdiction are unreasonable, unsafe, improper, or insufficient. To assist the Commission in its efforts to comply with this mandate, WirelessCo, L.P. should notify the Commission if it does not use this antenna tower to provide PCS radio tele-

communications services in the manner set out in its application and this Order. Upon receipt of such notice, the Commission may, on its own motion, institute proceedings to consider the proper practices, including removal of the unused antenna tower, which should be observed by WirelessCo, L.P.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that WirelessCo, L.P. should be granted a Certificate of Public Convenience and Necessity to construct and operate the Broad Run PCS site under its previously approved tariff.

IT IS THEREFORE ORDERED that:

1. WirelessCo, L.P. is granted a Certificate of Public Convenience and Necessity to construct and operate the Broad Run PCS site.
2. WirelessCo, L.P. shall file a copy of the final decision regarding the pending KAZC application within 10 days of receiving this decision.
3. WirelessCo, L.P. shall immediately notify the Commission in writing, if, after the antenna tower is built and utility service is commenced, the tower is not used for a period of 3 months in the manner authorized by this Order.

Done at Frankfort, Kentucky, this 26th day of September, 1996.
