

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF HERRINGTON HAVEN)
WASTEWATER COMPANY, INC. FOR AN)
ADJUSTMENT OF RATES PURSUANT TO THE) CASE NO. 96-317
ALTERNATIVE RATE FILING PROCEDURE)
FOR SMALL UTILITIES)

O R D E R

On July 8, 1996, Herrington Haven Wastewater Company, Inc. ("Herrington Haven") submitted an application to the Commission for authority to adjust its rates pursuant to the alternative rate filing procedure for small utilities. In its filing, Herrington Haven requested permission to deviate from the requirements of 807 KAR 5:076, Section 1.

807 KAR 5:076, Section 1, requires that the applicant have on file with the Commission fully completed annual reports for the immediate past year and for at least the two prior years when the applicant has been in existence that long. Since the current owners of the Herrington Haven sewage treatment plant did not obtain control of the sewage treatment plant until 1995 and its 1995 annual report for that portion of 1995 that it had control is on file with the Commission, the Commission finds that good cause exists to grant the deviation.

IT IS THEREFORE ORDERED that Herrington Haven's request for permission to deviate from the requirements of 807 KAR 5:076, Section 1, is hereby granted.

Done at Frankfort, Kentucky, this 19th day of July, 1996.
