RE: 96-434

(202 Old Harrods Creek Road)
Louisville, KY 40223

To Whom it May Concern:

To say the least, I am opposed to any type of structure that protrudes 56' into the air while adjacent to 163 residential apartment homes. I feel this tower would be a safety hazard because of falling ice and by appearance alone, devalue my property. The apartment homes near subject property would not be desirable to a prospective tenant, therefore, the rental income would be negatively affected.

I would like for a public hearing to be arranged to discuss this matter and that the Public Service Commission intervene on my behalf.

Respectfully,

A handwritten signature in cursive script that reads "J. Robert Westerman".
