ALLEGED VIOLATIONS OF KRS CHAPTER 278 )  
AND 807 KAR CHAPTER 5 )

O R D E R

Darrell E. Johnson, by and through counsel, has moved to continue the hearing in this matter currently scheduled for December 16, 1996 and to stay this proceeding until January 30, 1997. In support of his motions, Mr. Johnson asserts that he is making a good faith effort to take the corrective action necessary. He further asserts that he and the Pulaski County Water District #2 are attempting to resolve the issues arising from this matter and to submit the agreement to the Commission for its approval. After considering the motions and being otherwise sufficiently advised, the Commission finds good cause to grant the motions.

IT IS THEREFORE ORDERED that:

1. The December 16, 1996 hearing is cancelled, to be rescheduled at a later date if necessary.
2. This proceeding is held in abeyance until January 30, 1997 to allow the parties adequate time to reach an equitable resolution of the issues arising from this proceeding.

3. If the parties have not filed a settlement agreement with the Commission by January 30, 1997, they shall report to the Commission on the status of their negotiations by no later than February 7, 1997.

Done at Frankfort, Kentucky, this 3rd day of December, 1996.
