SYSTEM	)	

O R D E R

On June 27, 1997, South Williamson Real Estate Company ("South Williamson") filed a motion for authority to withdraw its application to establish rates for the transmission of water and sewerage and to hold this case in abeyance pending disposition of its motion. South Williamson states that: 1) it now intends to provide water transmission service at no charge, thereby exempting this service from regulation under KRS Chapter 278; and 2) the Kentucky Supreme Court recently held the transmission of sewerage without treatment is not regulated under KRS Chapter 278.

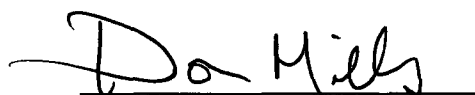

Based on the motion and being otherwise sufficiently advised, the Commission  
HEREBY ORDERS that:

1. Any response to South Williamson's motion shall be filed within 14 days of the date of this Order.
2. The briefing schedule shall be held in abeyance until further Order by the Commission.

Done at Frankfort, Kentucky, this 11th day of July, 1997.
