O R D E R

IT IS ORDERED that Louisville Gas and Electric Company ("LG&E") shall file an original and 10 copies of the following information with this Commission, with a copy to all parties of record. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible. The information requested herein is due no later than November 14, 1997.

1. With reference to the October 15, 1997 Amended filing, Section 1 - Executive Summary, page 3, it is indicated that consultants have been selected to redesign both the Energy Partners Program and the Commercial Conservation Program. However, none of the budgets for these programs nor the budget for the Collaborative Program Development/Administration have been increased to reflect this additional cost.

Explain in detail why the budgets have not been adjusted to reflect these additional consultant costs.

2. Refer to the October 15, 1997 Amended filing, Section 1 - Executive Summary, page 6-B and the corresponding page in the February 18, 1997 application. For the 1999-2003 totals of program expenses, prepare a schedule showing the change between the original and amended estimates for each program expense. Explain why each of the amended estimates is higher than was reported in the February 18, 1997 application.

3. Refer to the October 15, 1997 Amended filing, Section 13 - Program Cost Effectiveness Tests, page 70. Prepare a schedule which compares the test results shown on this page with the test results provided in the February 18, 1997 application, Section 13, page 70.

Done at Frankfort, Kentucky, this 31st day of October, 1997.
