ALLEGED VIOLATION OF KRS 278.160)

O R D E R

On May 29, 1997, a hearing was held in this case to determine if Spanish Cove Sanitation System, Inc. ("Spanish Cove") and John Lawson, in his individual capacity as sole shareholder and officer, have been and are currently charging rates that differ from those approved by the Commission and contained in the utility's approved tariff.

During the hearing, Spanish Cove agreed to supply to the Commission within 10 days from the date of the hearing a list of the occupancy dates for all customers who were charged rates that were not contained in its tariff.¹ To date, the Commission has not received this information.

IT IS THEREFORE ORDERED that, within 10 days from the date of this Order, Spanish Cove shall supply the Commission with a list of the occupancy dates for all customers who were charged rates that were not set out in its tariff.
