Dear Mr. Mills:

Intervention request on Case No. 97-202

I'm writing as a follow up on a previous letter in protest of a potential tower being built on Lot 47, Dixie Highway, Covington, Kenton County, Kentucky. This proposed tower would be located within 500 ft. of two properties we own at 1317-19 Hermes and 1321-23 Hermes ave. I am making an official request for intervention. I understand that any correspondence concerning this matter will be mailed to us.

Thank You,

Dale A. Dunaway

To whom it may concern:

Concerning Case No. 97-202, WE say ABSOLUTELY NOT!

Jennifer and I own two double lots with single family homes located at 1317-19, and 1321-23 Hermes Ave. In the past 4 years we have spent over \$40,000.00 in materials alone to rehab both properties, in addition to the purchase of these properties. We have turned these homes into an asset for the neighborhood, We have made the effort improve a declining neighborhood. We appeal to your since of fairness and hope you will see the injustice in locating the tower right smack in the middle of a residential area.

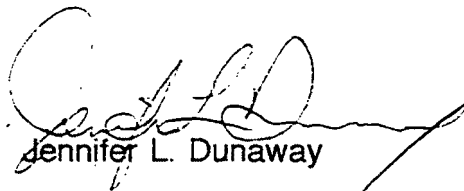

WE DO NOT WANT THE MONSTROSITY DESCRIBED IN THE LETTER TO FURTHER DETRACT FROM THE LANDSCAPE.....

Please do not allow this tower to be built so close to these homes. The home at 1321-23 Hermes has been in my family for 25 years. I know that many families in the neighborhood have been there longer than that.

Thank You,

Dale A. Dunaway
