RE: Case No. 97-202, Cincinnati SMSA Limited Partnership

Dear Mr. Mills,

I am writing to object to the proposed location of a cellular tower in the City of Covington pursuant to the above referenced case number. To the best of my knowledge, the applicant has never contacted the Northern Kentucky Area Planning Commission (NKAPC), nor have they provided any opportunity for that agency's review and/or recommendations on a project considered to be of area-wide significance pursuant to KRS 147.680.

At this time, my concern is that your agency not proceed with action on this application until such time as the NKAPC has held a hearing and allowed an opportunity for input from local residents.

Please contact me at (606) 292-2170 if there is any further action required on my part to insure that my concerns are addressed.

Sincerely,

Ralph Hopper
Zoning Administrator
