

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF GREEN RIVER ELECTRIC )  
CORPORATION TO ADJUST ELECTRIC ) CASE NO. 97-219  
RATES )

O R D E R

Green River Electric Corporation ("Green River") has moved for relief from the Commission's Order of May 7, 1997. In support of its motion, Green River states that the Order seeks information which is pertinent only for the review of an application for general rate adjustment. Green River further states that it will not apply for a general adjustment of its rates, but will request only the authority to pass any rate reductions which it receives from its wholesale power supplier to its ratepayers.

Having considered the motion and being otherwise sufficiently advised, the Commission finds that the motion should be granted.

IT IS THEREFORE ORDERED that:

1. Green River's Motion for Relief is granted.
2. Green River is released from any obligation to respond to the Commission's Order of May 7, 1997.

Done at Frankfort, Kentucky, this 2nd day of June, 1997.
