O R D E R

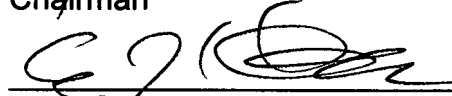

On July 17, 1997, SprintCom, Inc. ("SprintCom") filed a petition to deviate from the filing requirement of 807 KAR 5:001, Section 9(2)(f) that it provide an estimated cost of operation after its proposed facilities are completed. As grounds for its motion, SprintCom states it cannot yet estimate the cost of operation. Because the Commission does not regulate the rates of wireless telecommunications providers such as SprintCom, the Commission finds that SprintCom's motion should be granted.

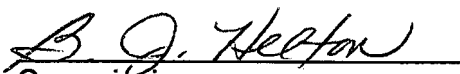

IT IS THEREFORE ORDERED that SprintCom's motion to deviate from the requirements of 807 KAR 5:001, Section 9(2)(f) is granted.

Done at Frankfort, Kentucky, this 1st day of August, 1997.
