

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF NEW PAR, A)	
DELAWARE PARTNERSHIP, D/B/A)	
AIRTOUCH CELLULAR, FOR A)	CASE NO. 97-331
CERTIFICATE OF PUBLIC)	
CONVENIENCE AND NECESSITY)	

O R D E R

On September 30, 1997, New Par d/b/a Airtouch Cellular ("New Par") filed a motion requesting that the Commission require all parties to identify their witnesses at least two weeks prior to the hearing scheduled in this matter. The Commission finds that knowledge of the witnesses' identities and expected testimony will allow both parties to prepare more thoroughly for the hearing. Accordingly, the motion should be granted.

New Par also asks that the Commission cancel the hearing if it receives no statement of intent to appear in opposition to the proposed facility. This hearing was scheduled on the motion of Kevin T. Wall, Director of Zoning Services, on behalf of the Boone County Planning Commission. The desire of the intervenor to be heard has, therefore, previously been stated. It is not the practice of this Commission to require a party who has moved for a hearing to state, after his motion is granted, that the hearing he has requested will be canceled unless he repeats his desire to be heard. The motion of New Par to require the intervenor to repeat its request in order to avoid cancellation of the hearing should therefore be denied.

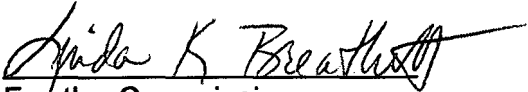

IT IS THEREFORE ORDERED that:

1. The motion of New Par is granted in part and denied in part.

2. Each party shall file, no later than two weeks prior to November 10, 1997, its list of witnesses and a brief description of the matters to which each witness will testify.

Done at Frankfort, Kentucky, this 9th day of October, 1997.
