O R D E R

On November 18, 1997, the Commission approved a resale agreement between BellSouth Telecommunications, Inc. ("BellSouth") and Interlink Telecommunications, Inc. ("Interlink") in this proceeding. On August 13, 1998, BellSouth and Interlink submitted to the Commission an amendment to the resale agreement changing the name of Interlink to Intellicall Operator Services, Inc. ("Intellicall"). The agreement was negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the amendment and finds that no portion of the amendment discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this amendment is consistent with the public interest, convenience, and necessity.

Intellicall must comply with all relevant Commission mandates for serving in this Commonwealth.

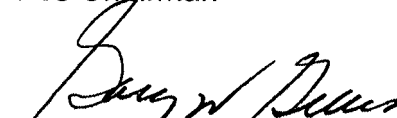

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the amendment between BellSouth and Interlink to change the name of Interlink to Intellicall is approved.

Done at Frankfort, Kentucky, this 15th day of September, 1998.
