PROCEDURE FOR SMALL UTILITIES )

ORDER

On December 22, 1997, Glenwood Hall Golf & Country Club, Water and Sewer Divisions ("Glenwood Hall") filed applications for an increase in water and sewer rates charged to customers. By Commission Order dated January 30, 1998, an informal conference was scheduled for 9:30 a.m., Eastern Standard Time on February 10, 1998 for the purpose of discussing Glenwood's application with all parties of record. Commission Staff prepared a report which contains findings of its financial review of Glenwood Hall's operations. Staff's report was issued by Commission Order dated February 3, 1998. That Order granted all parties no more than 10 days from the date of the Order, or 90 days after the application was filed, whichever is later, to provide written comments regarding the Staff Report or request a hearing.

Commission Staff convened the February 10 informal conference at 9:30 a.m. and adjourned at 10:30 a.m. The only parties of record in attendance were Commission Staff and representatives of Glenwood Hall. The utility indicated that it was requesting an immediate rate increase. With the absence of all intervening parties, the Commission, in the interest of economy and to expedite these proceedings, finds that the holding of two hearings within a short time of each other on the same issues is good cause to

deviate from the requirement of 90 days to provide written comments or request a hearing and finds that any party should provide written comments or request a hearing on or before February 20, 1998.

IT IS THEREFORE ORDERED that:

1. The ordering paragraph of the February 3, 1998 Order be declared null and void.
2. All parties of record must provide written comments regarding the Staff Report or request a hearing on or before February 20, 1998. If no request for a hearing is received, this case will be submitted to the Commission for a decision.

Done at Frankfort, Kentucky, this 11th day of February, 1998.
