

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF THE RATES OF THE)
EAST CLARK COUNTY WATER DISTRICT) CASE NO. 98-101

ORDER

On February 20, 1998, East Clark County Water District ("East Clark") filed an application for Commission approval of proposed rates. The proposed rates for water service would generate additional annual revenues of \$107,686.80, an increase of 15 percent above normalized test-year revenues.

By Order dated May 11, 1998, the Commission issued a Staff Report which was prepared upon review of East Clark's test-year operations. Staff's report recommended that East Clark's requested increase be granted. The Order granted 10 days to file written comments regarding the Staff Report or requests for a hearing or informal conference. No such comments or requests were made.

The Commission, after considering the evidence of record and being otherwise sufficiently advised, finds that:

1. The recommendations and findings contained in the Staff Report are supported by the evidence of record, are reasonable, and are hereby adopted as the findings of the Commission in this proceeding and are incorporated by reference as if fully set out herein.

2. The rates in Appendix A will produce annual revenue from water sales of \$825,598.80 which is sufficient to pay all pro forma cash expenses as detailed in the Staff Report.

IT IS THEREFORE ORDERED that:

1. The rates in Appendix A are approved for service rendered by East Clark on and after the date of this Order.

2. Within 30 days of the date of this Order, East Clark shall file with the Commission its revised tariff setting out the rates approved herein.

Done at Frankfort, Kentucky, this 3rd day of June, 1998.
