CASE NO. 98-184

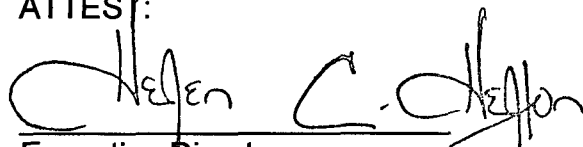

ORDER

The Commission entered an Order on December 1, 1998, directing Louisville Gas & Electric Company ("LG&E") to provide, within 20 days from the date of the Order, certain information requested by the Commission. On December 17, 1998, LG&E moved the Commission to grant it an extension of time in which to properly respond to the Commission's Order. The Commission, having considered the motion and being otherwise sufficiently advised, finds that good cause exists to grant the extension requested.

IT IS THEREFORE ORDERED that LG&E's motion for an extension of time to January 8, 1999, to respond to the Commission's Order of December 1, 1998, is granted.

Done at Frankfort, Kentucky, this 30th day of December, 1998.
