O R D E R

On July 22, 1998, the Commission approved an interconnection agreement between BellSouth Telecommunications, Inc. ("BellSouth") and Cybernet Group. On July 29, 1998, BellSouth and Cybernet Group submitted to the Commission an amendment to the interconnection agreement. The amendment was negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the amendment and finds that no portion of the amendment discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of the amendment is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the amendment to the interconnection agreement between BellSouth and Cybertnet Group is approved.

Done at Frankfort, Kentucky, this 18th day of September, 1998.
