O R D E R

On August 25, 1998, Mr. and Mrs. Duane A. Redmon and Mary A. Morris (hereinafter referred to collectively as "Petitioners") filed motions for full intervention. Based on the motions and being otherwise sufficiently advised, the Commission finds as follows:

1. Application was made by 4-Way Enterprises, Inc. on May 27, 1998, and the case has progressed continuously from that date.
2. The Commission prepared and issued a Staff Report to all parties of record on August 25, 1998, along with an Order requiring all parties to provide written comments regarding the Staff Report or requests for a hearing or informal conference no later than 10 days from the date of the Order.
3. Petitioners have a special interest which is not otherwise adequately represented, and such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, and they should therefore be granted intervention.

4. Petitioners shall be entitled to participate fully as parties to this case from the date of this Order forward; however, they shall accept the record as they find it and shall comply with procedural requirements specified by the Commission to date, including the Order dated August 25, 1998.
