O R D E R

On October 19, 1998, West McCracken County Water District ("West McCracken") applied to the Commission for approval of a Certificate of Public Convenience and Necessity to construct water main extensions and improvements and for approval of its plan of financing for this project.

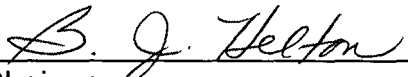

By letter dated November 4, 1998, West McCracken was notified that its filing was deficient and therefore rejected pursuant to 807 KAR 5:001, Section 2. West McCracken subsequently submitted its response to the deficiency notice on November 16. In its response, West McCracken requested permission to deviate from the requirements of 807 KAR 5:001, Section 6, which requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application.

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that good cause has been shown and that the information filed therein is sufficient to enable the Commission to review adequately West McCracken's filing. Therefore, its request for permission to deviate from the above-cited regulation should be granted.

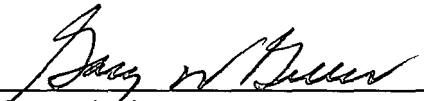

IT IS THEREFORE ORDERED that West McCracken's request for permission to deviate from the requirements of 807 KAR 5:001, Section 6, is hereby granted.

Done at Frankfort, Kentucky, this 8th day of December, 1998.
