

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF EQUITABLE)	CASE NO. 92-326-Y
GAS COMPANY)	

O R D E R

On April 12, 1993, in Case No. 92-326, the Commission approved certain adjusted rates for Equitable Gas Company, a division of Equitable Resources, Inc. (Equitable), and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment (GCA) clause.

On April 7, 1999, Equitable filed its GCA to be effective May 1, 1999, through July 31, 1999.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Equitable s notice of April 7, 1999 proposes revised rates designed to pass on expected decreased wholesale gas costs to its customers. Equitable s proposed expected gas cost (EGC) is \$3.9491 per Mcf, which includes a surcharge component of 80.54 cents per Mcf relating to the settlement of Kentucky West Virginia Gas Company Docket No. TQ 89-1-46-000, et al. before the Federal Energy Regulatory Commission. This EGC represents a decrease of 31.52 cents per Mcf from the current EGC.

2. Equitable's notice of April 7, 1999 set out a current quarter actual adjustment (AA) of (43.49) cents per Mcf to return over-recovered gas cost from November and December 1998 and January 1999. Equitable's total AA of (72.52) cents per Mcf reflects the current over-recovery as well as over- and under-recoveries from previous quarters, and represents a 33.88 cent per Mcf decrease from the previous total AA.

3. Equitable's notice set out a current quarter balancing adjustment (BA) of (.13) cents per Mcf. Equitable's total BA is 11.68 cents per Mcf, and represents a 1.12 cent per Mcf increase from the previous total BA.

4. These adjustments produce a revised gas cost recovery (GCR) rate of \$3.3407 per Mcf, 64.28 cents per Mcf less than its prior GCR rate of \$3.9835 per Mcf.

5. The rate adjustment in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after May 1, 1999.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are effective for final meter readings on and after May 1, 1999.

2. Within 30 days of the date of this Order, Equitable shall file with this Commission its revised tariffs setting out the rates authorized herein.
