O R D E R

On January 23, 1998, the Commission approved an interconnection agreement between BellSouth Telecommunications, Inc. (BellSouth) and Business Telecom, Inc. (BTI). On August 30, 1999 and October 21, 1999, BellSouth and BTI submitted to the Commission amendments to their interconnection agreement. The amendments to the agreement were negotiated pursuant to the Telecommunications Act of 1996 (1996 Act), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the amendments and finds that no portion of either amendment discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of these amendments is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the amendments are approved.

Done at Frankfort, Kentucky, this 29th day of November, 1999.

By the Commission
