On June 17, 1999, Crown Communication, Inc. (Crown) informed this Commission that through acquisition of other wireless communication facilities it may have eliminated its need to construct a facility at 4011 Hopewell Road, Louisville, Jefferson County, Kentucky. It moved this Commission to withdraw its application for a Certificate of Public Convenience and Necessity to construct, maintain and operate a Wireless Communications Facility at 4011 Hopewell Road, Louisville, Jefferson County, Kentucky with the right to resubmit it should it become necessary. Based on the motion and the Commission being otherwise sufficiently advised, IT IS HEREBY ORDERED that Crown's motion is granted, and this case is dismissed without prejudice.
