O R D E R

On August 14, 1998, Henderson Union Electric Cooperative Corporation (Henderson Union) notified the Commission that the territorial boundary dispute, which is the subject of this complaint case, had been settled and that a written settlement agreement would be filed within 60 days. The Commission received a status report from Henderson Union on November 12, 1998 which indicated that a final settlement had not yet been concluded. Considering that the parties have had over five months to settle this boundary dispute, the Commission finds that if a signed settlement agreement is not filed within 30 days, a procedural schedule should be established which provides for a hearing no later than April 30, 1999.

IT IS THEREFORE ORDERED that:

1. Within 15 days of the date of this Order, Henderson Union shall file a status report discussing the current status of obtaining a signed settlement agreement.

2. In the event that a signed settlement agreement is not filed within 30 days of the date of this Order, Henderson Union and Kentucky Utilities Company shall file, individually or jointly, proposed procedural schedules providing for a hearing no later than April 30, 1999.

Done at Frankfort, Kentucky, this 14th day of January, 1999.
