CERTIFICATE OF PUBLIC CONVENIENCE AND)	CASE NO.
NECESSITY TO CONSTRUCT A CELL SITE)	98-339-UAC

O R D E R

This matter arises upon the motion of Gary Motz, filed February 5, 1999, for full intervention. It appears to the Commission that Mr. Motz has a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings; therefore, Mr. Motz's motion to intervene should be granted. Mr. Motz also requests that a hearing be set in this matter. However, a number of interested persons have contacted the Commission in regard to this cell site and may yet wish to file motions to intervene. Consequently, the Commission will hold in abeyance Mr. Motz's motion for a hearing and will address it at the appropriate time.

IT IS THEREFORE ORDERED that:

1. The motion of Gary Motz to intervene is granted.

2. Mr. Motz shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should Mr. Motz file documents of any kind with the Commission in the course of these proceedings, he shall also serve a copy of said documents on all other parties of record.

4. Mr. Motz's motion for a hearing shall be held in abeyance until further Order of the Commission.

Done at Frankfort, Kentucky, this 11th day of February, 1999.
