O R D E R

On April 13, 1999, BellSouth Telecommunications, Inc. (BellSouth) and CCCKY, Inc. d/b/a Connect ! (CCCKY) submitted to the Commission their negotiated agreement for interconnection of their networks, the unbundling of specific network elements, and the resale of BellSouth's services. CCCKY is now adopting in its entirety the interconnection agreement between BellSouth and Intermedia Communications, Inc. dated July 1, 1996. The agreement was negotiated pursuant to the Telecommunications Act of 1996 (1996 Act), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement is consistent with the public interest, convenience, and necessity. The Commission notes

that the adopted agreement contains an incorrect subscriber line charge. The parties must charge the accurate subscriber line charge by operation of law.

CCCKY must comply with all relevant Commission mandates for serving in this Commonwealth.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the negotiated agreement between BellSouth and CCCKY is approved.

Done at Frankfort, Kentucky, this 10th day of December, 1999.

By the Commission
