On February 3, 1999, William P. Wall ( Complainant ) filed a formal complaint against Madison County Utilities District ( Madison County Utilities ). The Complainant alleged that Madison County Utilities had failed to provide water service in a timely manner to the Complainant and other residents of the Doylesville Road area. On February 10, 1999, the Commission ordered Madison County Utilities to satisfy or answer the complaint. On March 29, 1999, Madison County Utilities wrote to the Commission stating that the Complainant had received service on February 4, 1999, and the complaint was thereby resolved to the Complainant's satisfaction. The Commission, being sufficiently advised, HEREBY ORDERS that within 10 days of the date of this Order, the Complainant shall notify the Commission in writing whether he believes the complaint has been resolved. If no response is received by the Commission, this complaint shall be dismissed without further Order.
