O R D E R

On June 21, 1999, ALLTEL Communications Services Corporation (ALLTEL) and Tritel Communications, Inc. (Tritel) submitted to the Commission their negotiated agreement for the interconnection of their networks and reciprocal compensation for the transport and termination of local traffic. The agreement was negotiated pursuant to the Telecommunications Act of 1996 (1996 Act), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement is consistent with the public interest, convenience, and necessity.

Tritel must comply with all relevant Commission mandates for serving in this Commonwealth.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that:

1. The negotiated agreement between ALLTEL and Tritel is approved.
2. Tritel shall file a tariff containing terms and conditions of services prior to providing local service giving 30 days' notice to the Commission and shall comply with all Commission regulations and orders as directed.

Done at Frankfort, Kentucky, this 23rd day of August, 1999.

By the Commission
