O R D E R

IT IS ORDERED that Jackson Energy Cooperative ("Jackson Energy") shall file the original and five copies of the following information with the Commission with a copy to all parties of record within 21 days from the date of this Order.

1. Refer to your response to question 2 of the Commission's August 3, 1999 Order.

a. Explain why the district office, if constructed at the Highway 290 site, would be approximately \$200,000 more than the proposed McKee renovation.

b. Assume that the district office will be constructed at the Highway 290 site. Explain the required modifications to the proposed headquarters building in order to eliminate the renovation of the existing headquarters in McKee.

2. Assume the existing headquarters in McKee will be renovated. How many employees will be working at that location and what will be their duties?

Done at Frankfort, Kentucky, this 23<sup>rd</sup> day of September, 1999.
