

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF CAWOOD WATER)	
DISTRICT TO ADJUST CERTAIN)	CASE NO. 99-332
NON-RECURRING CHARGES)	

O R D E R

On August 3, 1999, Cawood Water District (Cawood) applied to the Commission for authority to adjust its non-recurring connection charges. In its filing, Cawood requested permission to deviate from the requirements of Administrative Regulation 807 KAR 5:011, Section 8 and Section 10(1)(e).

Administrative Regulation 807 KAR 5:011, Section 8, requires that a copy of the public notice be included in the filing. Section 10(1)(e) requires the submission of an income statement and balance sheet for a recent 12-month period.

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that no existing customers will be affected by the proposed rate change since connection charges are imposed only once, when service is first initiated to a new location. The information filed by Cawood is sufficient to enable the Commission to review adequately Cawood s filing. Therefore, its request to deviate from the above-cited regulations should be granted.

IT IS THEREFORE ORDERED that Cawood s request to deviate from the requirements of 807 KAR 5:011, Section 8 and 10(1)(e), is granted.

Done at Frankfort, Kentucky, this 19th day of August, 1999.

By the Commission
