

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NORTH MARSHALL WATER DISTRICT)
TARIFF REVISIONS TO ESTABLISH A) CASE NO. 99-370
SIX-INCH METER RATE)

O R D E R

On September 7, 1999, North Marshall Water District (North Marshall) submitted a revision of its tariff which would establish the rate for a six-inch meter connection. The rate was calculated in accordance with the cost-of-service study performed for the Staff Report issued on April 15, 1994 in Case No. 94-003.¹

Having reviewed the proposed methodology and being sufficiently advised, the Commission finds that the proposed tariff revision and the methodology used to calculate the rate is correct.

IT IS THEREFORE ORDERED that the rate in the Appendix be approved for service rendered on and after the date of this Order.

¹ Case No. 94-003, North Marshall Water District Application for (1) Certification of Public Convenience and Necessity; (2) Approval of Financing through K.I.A.; (3) General Rate Increase; and (4) Request for Approval of Variance on Financial Data has been received, Order dated June 17, 1994.

Done at Frankfort, Kentucky, this 2nd day of November, 1999.
