

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INQUIRY INTO THE DEVELOPMENT OF)	ADMINISTRATIVE
DEAVERAGED RATES FOR UNBUNDLED)	CASE NO. 382
NETWORK ELEMENTS)	

O R D E R

In its December 10, 1999 Order establishing this proceeding, the Commission set February 29, 2000 as the date upon which the issues would be heard. On January 19, 2000, GTE South Incorporated ("GTE"); BellSouth Telecommunications, Inc. ("BellSouth"); Cincinnati Bell Telephone Company ("CBT"); MCI WorldCom Communications and MCI Metro Access Transmission Service, Inc.; TCG Ohio; and AT&T Communications of the South Central States, Inc. (collectively, the "Movants") submitted a Joint Stipulation Regarding UNE Deaveraging ("Stipulation"). The Stipulation provides for the establishment of deaveraged UNE rates for BellSouth, GTE and CBT as set out in Attachment A of the Stipulation. It also establishes an effective date of May 1, 2000, subject to change by this Commission, the FCC, or the courts. On January 27, 2000 the Commission issued an Order requesting additional information on the Stipulation. This information was received on February 7, 2000. The Commission is currently reviewing the Stipulation and the supporting information.

If the Stipulation is found to be acceptable, the hearing currently scheduled will be superfluous. Therefore, the hearing scheduled for February 29, 2000 should be

cancelled and the matter continued generally pending Commission review of the Stipulation.

The Commission, having reviewed the record of this proceeding and being advised, HEREBY ORDERS that the February 29, 2000 hearing be continued generally pending review of the Stipulation.

Done at Frankfort, Kentucky, this 21st day of February, 2000.
