O R D E R

B.T.U. Pipeline, Inc. a/k/a BTU Gas Company, Inc. and BTU, Inc. ("BTU") is a gas distribution utility providing natural gas service in and around Salyersville and Magoffin County, Kentucky. The Commission has pending before it several matters related to the operation and maintenance of BTU's system.

This case was reopened to determine the status of the payment of the \$14,000 penalty assessed in this case.

The Commission has determined that a final Order was issued in this case on November 3, 1995, but that the \$14,000 penalty was a listed debt in bankruptcy proceedings filed in the U. S. Bankruptcy Court of the Middle District of Tennessee No. 295-08117-KL2-11. A plan in bankruptcy under Chapter 11 was filed and approved by the bankruptcy court on November 6, 1996. Any payments under that plan will be issued pursuant to the proceedings in bankruptcy court.

IT IS THEREFORE ORDERED that this case is closed and removed from the Commission's docket.

Done at Frankfort, Kentucky, this 8th day of May, 2000.
