O R D E R

On February 4, 2000, SprintCom, Inc. ("SprintCom") filed a status report on this case, which had been held in abeyance. The status report informed the Commission that its pending application in Case No. 2000-005-UAC<sup>1</sup> concerned proposed construction that would obviate the need for the facility proposed in the instant case. Accordingly, SprintCom stated, it wished only to hold this case in abeyance pending approval of the site specified in Case No. 2000-005-UAC. SprintCom received a certificate to construct in Case No. 2000-005-UAC by Order dated October 3, 2000.

IT IS THEREFORE ORDERED, on the Commission's own motion, that this case is dismissed.
