O R D E R

On October 6, 1999, the Commission approved an interconnection agreement between BellSouth Telecommunications, Inc. ("BellSouth") and The Other Phone Company, Inc. d/b/a Access One Communications, Inc. ("Access One"). On December 8, 1999, the Commission approved a resale agreement between BellSouth and Access One. On December 27, 1999, BellSouth and Access One submitted to the Commission an amendment to their resale agreement and an amendment to their interconnection agreement. The agreements were negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreements and finds that no portion of either of the agreements discriminates against a telecommunications carrier not a party to the

agreement. The Commission also finds that the implementation of these agreements is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the amendments between BellSouth and Access One are approved.

Done at Frankfort, Kentucky, this 17th day of March, 2000.
