EXCHANGE SERVICE BY GTE)	
COMMUNICATIONS CORPORATION)	
AND BELL SOUTH BSE, INC.)	

O R D E R

On February 24, 2000, GTE Communications Corporation ("GTECC") filed a motion for extension of time to file the reports ordered by the Commission on August 31, 1999. GTECC requested an extension until March 30, 2000 to file its semi-annual report. Moreover, GTECC requests that its annual report be due 90 days beyond the end of the reporting period.

In support of its motion, GTECC cites delays loading data into its reporting system for the semi-annual report and the volume of year-end data needed for the annual report.

The Commission, having considered the motion and being sufficiently advised, finds that granting it will not harm any party to the proceeding.

IT IS THEREFORE ORDERED that:

1. GTECC shall be granted a one-time extension to March 30, 2000 to file its semi-annual report. Thereafter, its semi-annual reports shall be due August 31 and February 28.

2. The annual report shall be due 90 days beyond the end of the reporting period, or March 31.

Done at Frankfort, Kentucky, this 29th day of February, 2000.

By the Commission
