O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on June 21, 2000 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Clark Energy Cooperative, Inc. ("Clark") for the six months ended April 30, 2000.

As part of this review, the Commission ordered Clark to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Clark has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Clark has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Clark through the FAC for the period November 1, 1999 through April 30, 2000 are approved.

Done at Frankfort, Kentucky, this 30<sup>th</sup> day of October, 2000.
