O R D E R

On August 3, 2000, Crown Communication Inc. and Kentucky CGSA, Inc. (collectively, the "Applicants") filed an application with the Commission requesting a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility at 1568 Cynthiana Road, Paris, Bourbon County, Kentucky. On August 22, 2000, Mary McClinton Clay filed a motion for intervention. On August 23, 2000, the Paris-Bourbon County Joint Planning Commission, by counsel, filed a motion for intervention. The Commission finds that such interventions are likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Accordingly, the motions for full intervention should be granted.

Intervenors are put on notice that evidence regarding potential alternative sites for the proposed construction, if any, and any requests for information, must be filed with the Commission, with a copy to all parties of record, no later than 15 days from the

date of this Order. No Intervenor may produce evidence regarding alternative sites at any hearing which may be scheduled, except in regard to specific sites filed of record as described in this Order.

Responses to information requests and information regarding potential alternative sites, if filed by the Intervenor, shall be responded to by the Applicants within 30 days from the date of this Order, and Applicants shall include in such responses a report of their view of the feasibility of the alternative sites presented by the Intervenor.

IT IS THEREFORE ORDERED that:

1. The motions of Mary McClinton Clay and the Paris-Bourbon County Joint Planning Commission to intervene are granted.

2. The Intervenors shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should the Intervenors file documents of any kind with the Commission in the course of these proceedings, a copy of said documents shall be served on all other parties of record.

4. Neither the Intervenors nor any person subsequently granted intervention herein may submit evidence regarding alternative sites for the proposed facility at any hearing which may be scheduled, except in regard to those specific sites for which information has been filed within 15 days of the date of this Order.

5. Any alternative site to be considered by the Commission must be submitted in writing by Intervenors, within 15 days of the date of this Order, even if the alternative site has previously been submitted.

6. The Applicants shall respond in writing to a filing regarding information requests and potential alternative sites, if any, within 30 days of the date of this Order, and shall include in their response information concerning the availability and technical feasibility of such sites.

7. If no potential alternative site is submitted as described herein, then the matter may be submitted to the Commission on the existing record without further orders herein.

Done at Frankfort, Kentucky, this 6th day of October, 2000.
