On June 26, 2001, the Commission ordered all information which BellSouth Telecommunications, Inc. ("BellSouth") or any other party wished to be considered by the Commission in the establishment of BellSouth's UNE prices to be filed by July 20, 2001. On July 13, 2001, BellSouth filed a motion requesting an extension to July 27, 2001, to file the model run requested by Commission Staff. Moreover, BellSouth requests permission for parties to file simultaneous briefs by no later than August 17, 2001. The Commission finds this motion reasonable and adjusts the schedule accordingly.

IT IS THEREFORE ORDERED that:

1. By no later than August 17, 2001, BellSouth and other parties shall file any additional information, including briefs, which they believe should be considered by the Commission in establishing BellSouth's UNE prices.

2. If any party objects to the Commission's finding that a formal hearing in this proceeding is unnecessary, it shall so notify the Commission in writing by no later than August 28, 2001. If no such requests are filed by that date, this matter shall be submitted to the Commission without further Orders herein.
