ORDER

On October 15, 2001, Oldham County Water District ("OCWD") filed a motion for an extension of time from October 15, 2001 to October 22, 2001, to file its answers to the Commission's First Data Requests. As grounds for its motion, OCWD stated that it was unable to compile all the information within the allotted time because the person able to furnish the information was on vacation when the data requests were received. The information was subsequently filed on October 22, 2001; therefore, the motion shall be treated as a request to accept the information as a late-filed response. There being no objection to the motion, and good cause being shown therefor, the motion should be granted and the information admitted into the record of this proceeding.

IT IS THEREFORE ORDERED that OCWD's responses to the Commission's First Data Requests, that were late filed on October 22, 2001, are hereby admitted into the record of this proceeding.

Done at Frankfort, Kentucky, this 7<sup>th</sup> day of November, 2001.
